

CATALOGUE-2

Kalopsia technology is great for printing wall covers. Kalopsia wallcovers can be applied in various environments, for example, offices, hotels, or private interiors. If extra resistance is required, varnish can be applied after the wallcovers are hung, making them completely scratch and rub resistant.

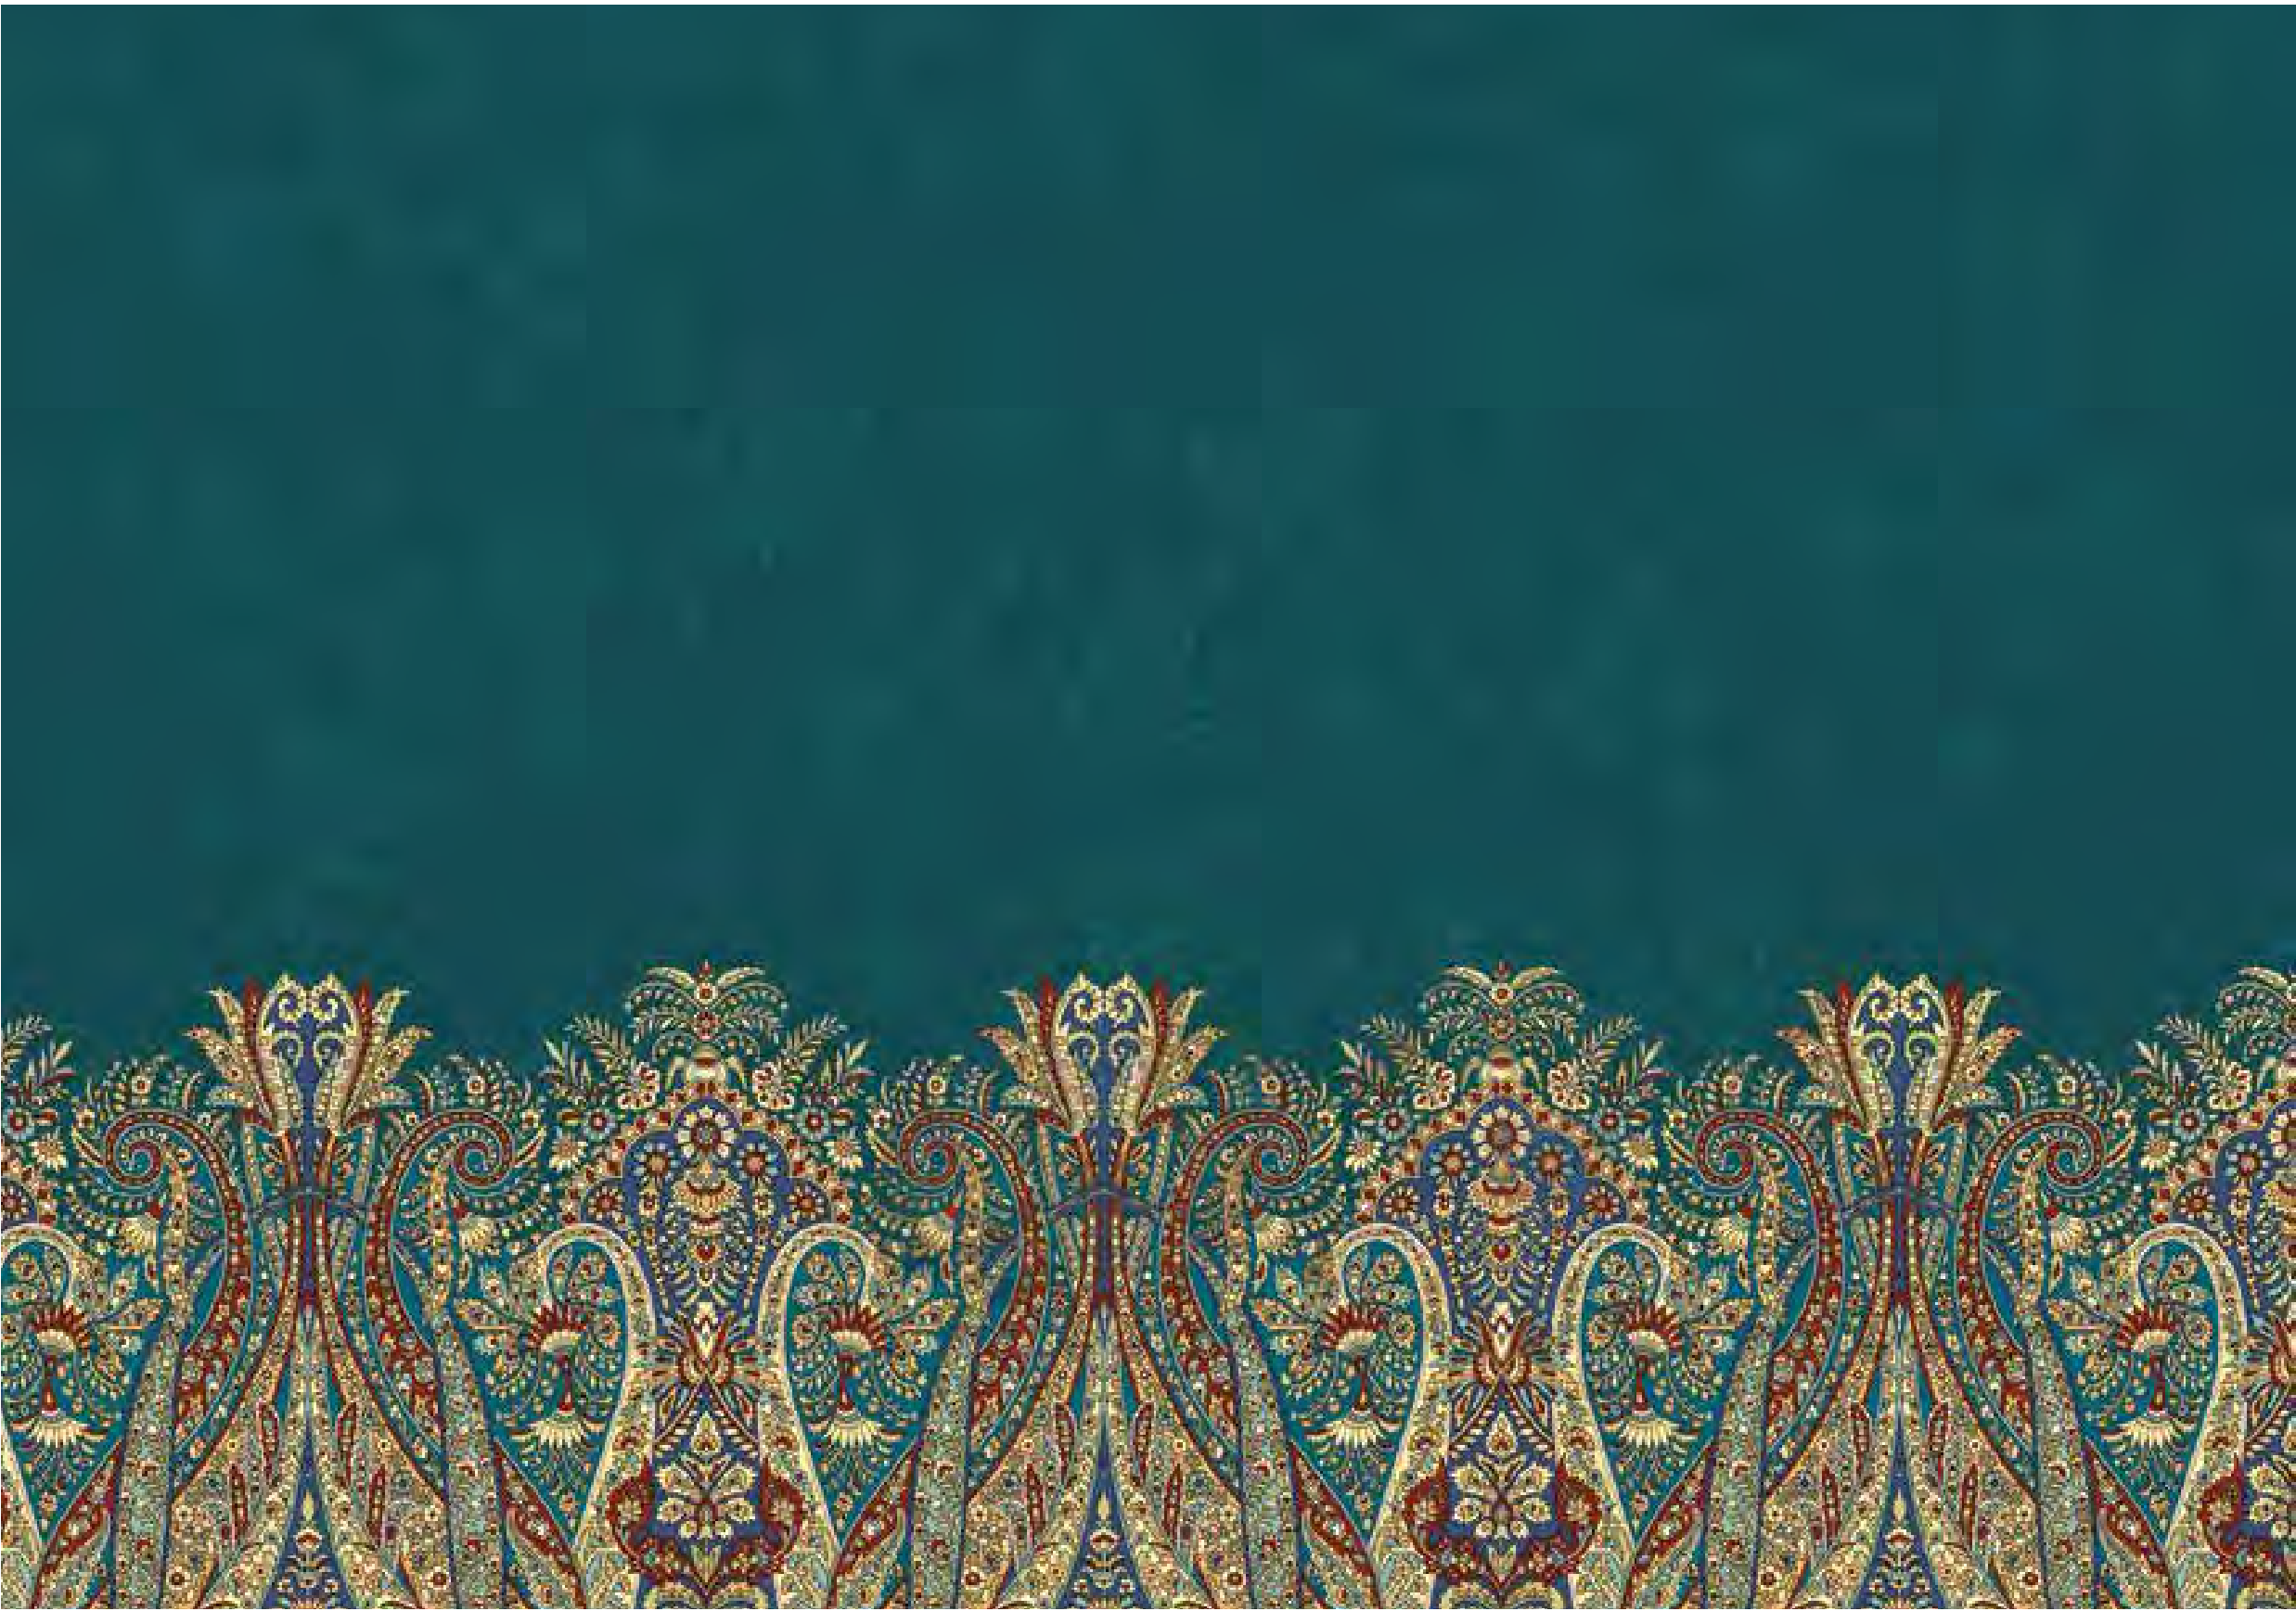

## Advantages

- Long lasting & Environmentally friendly technology
- Eco friendly inks & PVC free structure forming
- Customized Solutions with 8 hours application
- Heat/ Water Resistant
- Digital Printing and custom structuring at the same time
- Can print tailor made images of any size
- Flow of designs can be felt physically
- Available in all sizes, No mess, No Odour, Convenient, Fast, Hassle Free Hygenic
- Brings out the theme 3 Dimensionally
- Customized metalized shades available
- Replacement of Mural Art
